UNIVERSITY

Message from the **DEAN**

I'm the dean of Mid Island University, and I'd like to welcome you to our school. We're excited to have you as part of the Mid Island University community.

If you're reading this, then I know you've already taken steps toward your dream of completing a college degree online. That's a huge accomplishment in and of itself—and it's just the beginning!

The next step is choosing a university that will help you achieve your goals. We want to be that place for you.

We offer an affordable, flexible learning experience with outstanding faculty members and a friendly staff who are here to help with any questions or concerns you might have along the way. We also pride ourselves on being able to offer many different types of degrees, so no matter what your interests are or what career path you're looking toward, we can help guide you there.

So why choose us? Because we care about our students' success and want them to feel supported throughout their educational journey. Our goal is that when they graduate from Mid Island University, they feel confident in their ability to succeed in whatever field they choose after graduation—whether that's becoming a leader in their field or starting their own business!

”

Mission

Our mission is to create value for our stakeholders by providing high quality, affordable and easily accessible higher education that empowers individuals to succeed in their careers and live a purposeful life.

Vision

Our vision is to be the world's leading online learning institute. Our values are: integrity, innovation, collaboration, and service.

Want to make a difference in the world?

We totally get it. We do, too! That's why we're here to help you take your first steps towards a rewarding career by starting your new journey at Mid Island University online university.

We know that you have a lot of options when it comes to choosing an online university, and we're confident that we can provide the best educational experience for you. We offer:

A well-rounded curriculum that covers all the bases of business management and entrepreneurship

A supportive community of fellow learners who will be there to support you through your studies and beyond

An emphasis on practical skills, not just theory—we want you to be able to apply what you learn so that it sticks with you throughout your career

How Mid Island University gets you ready for the world

International Exposure

The virtual classroom makes it easier for teachers and students from all over the world to talk to each other in real time.

Professional Education

The courses in each program are designed to prepare you for your professional life and are interesting to teach as well as learn.

World-class Faculty

All courses are taught by a team of highly qualified instructors who are experts in their fields and have expertise in career guidance.

Experience the real world

Our online classes are as close to traditional classes as anything. Each course could make you more employable and improve your chances of getting a job.
